

## Product information AVOL STREICHERT s\_REIN 5W-30

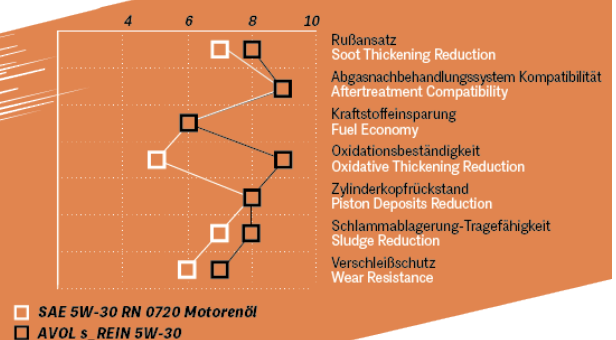

### Description:

Fully synthetic low-ash motor oil for use all year round. The combination of PAO-basic oils, unconventional basic oils using synthetic technology together with the latest additive technology provides exceptional protection against wear and reduces oil and fuel consumption, ensuring fast oil penetration of the engine. Renault requires a motor oil with this specification for various models with diesel particulate filters to ensure the maximum service life of the DPF.
